#### Have a Beer With Board President Breck Weigel!

Like many of you, I enjoy a good beer. I hope you will join our Board of Directors for our first Pours for PBPO event on Wednesday, October 12th at Igby's from 5-7:30 p.m. It is a chance for us to raise a glass to celebrate the great work done by our volunteers and clients in our first two years. It is also an opportunity to spread the word of our good work and broaden our support in the community.

Advance tickets are just \$25 and in addition to supporting PBPO, you will receive a free commemorative pint glass along with a cold drink and light fare. This happy hour is for supporters, volunteers, nonprofit clients, and friends of PBPO. Please share this with any of your friends who might be interested. [Register here.](#)

I look forward to seeing you on the 12th.

**Volunteer Spotlight:**

**Jacqueline Schuster Hobbs  
Duke Energy**

**Jackie Hobbs** is currently Associate General Counsel at **Duke Energy**, focusing on employment and labor law. Prior to joining Duke Energy's legal team in 2005, Jackie was an associate attorney at Ulmer & Berne LLP. Throughout the years, she has sat on a number of Boards of Directors for local non-profits, including the Talbert House and Core Behavioral Health Centers, and held various leadership roles with those Boards.

Jackie has assisted several nonprofits with her employment expertise. She volunteers with PBPO because "*PBPO provides a meaningful, yet simple way to give back to the community. The pro bono assignments are challenging, PBPO works with your schedule, and the clients are always so grateful for the services that you provide.*"

***Thank you Jackie!***

**Client Highlight:**

**Price Hill Will** is a

nonprofit community development corporation serving the neighborhoods of East, West and Lower Price Hill on the west side of Cincinnati. Their mission is to

create systemic change in Price Hill through physical impact, economic impact and social impact. Programs include community gardens, business district planning, residential and commercial real estate development, community programming, a 100-member youth orchestra and more!

*"PBPO and the volunteer attorneys are wonderful assets to our community. The generosity of their time has strengthened our organization, allowing us to use our limited funding to more effectively carry out our mission. It has also relieved a lot of stress related to the difficulty of finding an attorney who might have the necessary expertise for a particular issue. Price Hill Will is extremely grateful to the organization and the volunteers who are helping our non-profits help others!"*

- Ken Smith, Executive Director
