

2022 IMPACT REPORT

*Creating a Positive Ripple Effect
in our Community*

MISSION:

*Powered by attorney volunteers,
we strengthen our community by
providing free business legal services
and education to nonprofits.*

VISION:

*We envision a just and equitable
community enhanced by thriving
nonprofits and engaged attorney
volunteers.*

I am proud to serve as Board President of PBPO, working with our dedicated Board, passionate staff, and selfless attorney volunteers. In 2022, these attorney volunteers collectively donated nearly 2,200 hours of expert legal services for our community of nonprofits. This allows for more nonprofits served, more legal matters addressed, and **more time freed up for leaders of local nonprofits to focus on their important missions.**

Susan Street Whaley

Chief Legal Officer & Secretary at Procter & Gamble,
PBPO Board President

In 2022, our team worked tirelessly to answer the call of our region's nonprofits, addressing the complex and unique business legal needs of organizations empowering people with disabilities, fighting for equity, feeding the hungry, helping children overcome adversity, and so much more. With a **17% increase** in nonprofit clients served, and an **18% increase** in total legal matters addressed, PBPO enhanced the capacity of hundreds of local nonprofits. In turn, **this strengthened our community and created a ripple effect of service, with a positive impact lasting for many years to come.**

Erin Childs

PBPO Executive Director

To our talented volunteers, nonprofit clients, generous donors, and community partners – **THANK YOU** for your commitment to PBPO's positive ripple effect in our community. Simply put, we could not do it without you. We look forward to partnering with you in 2023 and beyond.

“Words will never fully convey how grateful I am for the team at Pro Bono Partnership for their exceptional guidance that has helped us navigate this important time in our organization’s history. The peace of mind of knowing that we were in such expert hands has been invaluable. I know our organization is poised for the future because of the wise and thoughtful counsel of the PBPO team and volunteer attorneys we have had the privilege to work with.
